Smooth Transition Pipeline

1

Complete your basic +
advance modules
Training

2

Perform real time
Complete your basic +
advance modules
Training industrial
projects and **Capstone
Projects** by targeting
your primary domain.

3

With our **Domain
Specialized** Program
make your previous
exp. count without
being considered as a
fresher

4

Get an assured **Hike** by
adding Capstone
Certificate in your
resume

Conclusion:

As a senior career counselor I recommend you to follow a guided pipeline which will ensure you a successful career transition

Counselor Note : As per the discussion, suggesting opting for a data science course as we provide domain-based training. By doing so, you can understand the same from a domain perspective and the tools and projects that you have to learn for your career transition, which would provide you better job opportunities and the power of negotiation. Hope this information helps. Looking forward to hearing from you.
